

A collage of geographical and travel-related items. In the foreground, a pair of black binoculars is positioned diagonally. Behind them, a wooden compass rose with cardinal directions (N, S, E, W) is visible. To the left, a stack of books is partially shown. A yellow star is located near the bottom left of the binoculars. The entire scene is set against a light, hazy background.

Geography

The content of Geography

- It is not a sole subject requirement for a university degree.
- It is strongly recommended for some courses.
- This subject enhances a good general knowledge.
- It also helps considerably towards a better application mark.
- It consist of a theoretical and a practical component.

Career opportunities
