LEITH HOUSE 2017

Ek was vir 8 jaar as inwonende onderwyser by Leith-Huis betrokke waarna ek die Koshuishoof van Murray-Huis geword het. Dit is vir my n voorreg om na 'n verdere 8 jaar by Murray-Huis, terug te kon trek na Leith-Huis, om die leisels by die Grey legend, Mnr. Dries van der Wal oor te neem.

Baie dankie vir die hartlike verwelkoming deur ouers en kosgangers wat my en my gesin tuis laat voel het. Ek is seker dat ons gedurende 2017 suksesvol en lekker sal saamwerk.

I am looking forward to meeting even more of the parents and guardians, in an effort to serve our school and the young adults we are raising as part of the Grey-family.

Die matrone van die koshuis, Mev. Juliana Ferreira, was soos wat baie reeds weet, die vakansie in 'n motorongeluk betrokke. In haar afwesigheid neem Mev. Nina van den Berg as matrone waar. Our prayers are with Juliana to get well soon in order to experience the joys of being healthy again.

The other members of our team in serving Grey College at Leith House: Mr Paul Potgieter (Assisting Housemaster), Mr Reynders, Mr van Wyk and Mr Geldenhuys.

We are grateful that many of the upgrading work at Leith House will start soon. Even though this may be disruptive in some ways, the outcome will be positive.

Gedurende die volgende paar weke sal daar ook veranderinge plaasvind om kosgangers se na-ure buitemuurse rooster en ekstra klasse te kontroleer.

Parents and guardians will also be notified regarding changes to some of the privileges, e.g. boys driving and parking on campus. We appreciate your cooperation as the safety of the boys are our priority. Buying a vehicle or motorcycle for your son, should be regarded as a last resort in order to solve a transportation problem.

My visie: Om as Leith-Huis Koshuisvader pro-aktief te streef na uitnemendheid en balans onder senior leerders, wat tot voordeel van Grey sal wees. Om hierdeur die “Grey-gentleman” kodes onder die senior leerders te bevorder, sodat die leiers van ons skool, as toegeruste en selfstandige jongmense, ‘n navolgenswaardige voorbeeld sal wees.
