WATER POLO

The under 15 water polo team took part in a tournament at Grey PE this past weekend. The results were pleasing considering the fact that we had to compete without our swimmers who are key players.

The results were as follows:

Grey drew Stirling 3 all

Grey lost to Wynburg 5 – 2

Grey beat Kingswood 6 – 3

Grey lost to Somerset West 5 – 4

Grey beat Glenwood House 6 -3

Grey beat Grey PE (2nd team) 14 -3

- **u/14**

This past weekend saw our u/14A water polo team play their first matches for the season at the Crawford College u/14 tournament. A total of 16 teams participated.

Our group results were as follows:

Beat Reddam 18-0

Beat St Benedict's 7-0

Lost to St David's 7-5 without our swimmers and athletes who took part at the Affies meet.

In order to qualify for the quarter final, the team had to beat Pretoria Boys High and ended up doing so convincingly to win 16-2.

In the quarter final we beat St. Stithians 7-2 and in the semi-final we beat St. Benedict's 9-2.

With these results, this team became the first Grey College water polo team in recent history to qualify for an A-league water polo final.

The final was an exciting and competitive one where our boys unfortunately lost 8-6 to walk away with the silver medals.

The team needs to be complimented for their incredible performances and showcasing great sportsmanship. They are proving that Grey's water polo is becoming a greater and greater force to be reckoned with.
