PSYCHOMETRIC EVALUATIONS FOR SUBJECT SELECTION FOR GRADE 9 LEARNERS

The *Learning and Support Centre* at Grey College Secondary performs a comprehensive psychometric evaluation during which your son will complete a scholastic aptitude test, a personality questionnaire, two interest questionnaires and a biographical questionnaire. The psychometric evaluation generally lasts from 09:00 to 12:00. An individual feedback sessions will be scheduled hereafter to discuss the psychometric results and subject recommendations based on these results. We request that, if possible, you as parent attend the feedback session with your son. You will also receive an addendum containing a brief summary of your son's psychometric results and the recommendations.

The abovementioned service (psychometric evaluation, feedback session and summary of the results and recommendations) is offered at a special rate for 2016 of R600.00, exclusively for Grey College learners. Should you so prefer, an additional detailed report in which the psychometric results are discussed comprehensively and the recommendations are motivated, can be compiled at an additional cost of R350,00.

Contact the Centre by dialing 051-444 1513 and then selecting option 5 to schedule an appointment. Feel free to contact us with any inquiries you might have.

Rest assured that your child's future is important to us.
